

Football at **RED**:

This policy is in place from 30th of March to the 4th of April 2022

During the transitions in the **Red** setting in the COVID Protection Framework (CPF) here is what football at Waikanae FC will look like.

COVID-19 Vaccine Pass:

New Zealand football requires:

Whilst we transition to the new Red settings Vaccine passes will still be needed to attend any trainings or matches.

How will Waikanae FC Check Vaccine passes?

Spectators **will not** be required to provide vaccine passes.

- Spectators will be treated as separate groups with a maximum group size of 25 per group
